PROJECT BACKGROUND

Who Is Kingslayer?

Kingslayer Restaurant, Banquet & Rooftop — an established premium hospitality brand operating two distinct physical locations in Uttar Pradesh, India.

KINGSLAYER BALLIA

kingslayerrestaurant.com/ballia/

First established location. Restaurant dining and premium hospitality for Ballia and the surrounding region.

KINGSLAYER VARANASI

kingslayerrestaurant.com/varanasi/

Second location in India's cultural capital — premium dining in one of India's most iconic cities.

■ **THE CHALLENGE: One brand. Two locations. No centralized digital presence.**

THE SOLUTION: One premium website — two branch experiences — one admin system.

ONE BRAND.
TWO DESTINATIONS.
ONE DIGITAL PLATFORM.

A single centralized website — premium digital experiences for Ballia & Varanasi — one admin system.

★ Premium Brand Identity

Unified Kingslayer brand across all locations

■ Two Dedicated Experiences

Separate journeys for Ballia & Varanasi

■ One Admin System

Centralized control for MD & branch managers

CUSTOMER JOURNEY

How Customers Experience Kingslayer Online

STEP 1 — Premium Preloader: Elegant brand animation (1-2 seconds)

STEP 2 — Location Selection: Choose Kingslayer Ballia or Varanasi

STEP 3 — Branch Website: Full dedicated website for the selected location

STEP 4 — Enquiry: Reservation or banquet enquiry submitted to branch team

- Returning Visitors: Website remembers preferred branch on future visits

Complete Website Structure

Branch Homepage — What Customers Will See

- Premium Navigation Bar — branding, links, branch switcher
- Cinematic Hero Section — full-width photography & CTA buttons
- Restaurant Introduction — branch story & dining philosophy
- Dining Experience — featured dining options & ambience
- Menu Highlights — signature dishes with photography
- Rooftop Experience * — views, ambience, dining (if available)
- Banquet & Events * — facilities, enquiry prompt (if available)
- Gallery Preview — venue & food photography showcase
- Customer Testimonials * — verified reviews (client-supplied)
- Offers & Events — promotions, seasonal offers, events
- Location & Contact — address, maps, WhatsApp, call button
- Premium Footer — brand info, navigation, social media

Restaurant · Rooftop · Banquet & Events

RESTAURANT & DINING:

- · Explore restaurant ambience and interiors
- · Browse full food menu by category with pricing
- · Submit reservation request form

ROOFTOP EXPERIENCE (where available):

- · Rooftop ambience photography gallery
- · Available experiences and dining options
- · Reservation / enquiry prompt

BANQUET & EVENTS (where available):

- · Venue photographs and capacity information
- · Wedding, corporate, party enquiries
- · Structured banquet enquiry form

Interactive Digital Menu — Branch Specific

MENU FEATURES:

- · Separate independent menus for each branch
- · Dishes organized by category (Starters, Mains, Desserts, Beverages)
- · Food photography for each dish
- · Pricing displayed clearly
- · Mobile-friendly menu navigation

ADMIN MENU MANAGEMENT:

- · Add / edit / remove dishes via admin dashboard
- · Update prices instantly — no developer required
- · Mark items as temporarily unavailable
- · Upload dish photographs directly

Brand Identity & Visual Design Language

COLOR PALETTE:

- · Deep Charcoal #1A1A1A — Primary Background
- · Forest Green #1B4032 — Section Backgrounds
- · Champagne Gold #C9A850 — Accents & Headings
- · Warm Ivory #F5F0E8 — Body Text

TYPOGRAPHY:

- · Georgia / Playfair Display — Headings & Brand Names
- · Calibri / Inter — Body & Navigation Text

DESIGN PRINCIPLES:

- · Luxurious · Mobile-First · Cinematic Photography
- · Smooth Animations · Generous Spacing · Easy Navigation

MOBILE EXPERIENCE

Fully Responsive — Mobile-First Design

- Responsive layout for all screen sizes
- Mobile hamburger navigation menu
- One-tap Google Maps directions
- WhatsApp quick-contact button
- Click-to-call phone number links
- Optimized images — fast loading
- Mobile-friendly enquiry forms
- Easy branch switching
- Clear, accessible typography
- Tested on smartphones & tablets

How Customers Will Discover Kingslayer Online

TARGET SEARCH QUERIES:

· Restaurant in Ballia / Varanasi

· Rooftop restaurant Ballia / Varanasi

· Banquet hall / wedding venue Ballia / Varanasi

· Best restaurant near me (location-based)

SEO STRATEGY ELEMENTS:

· Separate optimized pages for each branch

· Google Maps integration with direct links

· Google Business Profile links

· Mobile-friendly design (primary ranking factor)

· Optimized images for fast loading

· Structured restaurant data markup

NOTE: No guarantee of first-page rankings. SEO is a long-term foundation.

Customer Communication & Enquiry System

CUSTOMER JOURNEY:

Visit Website → Select Branch → Explore → Submit Enquiry → Branch Follows Up

RESERVATION REQUEST FORM FIELDS:

Full Name, Phone, Preferred Date, Guests, Requirements, Branch

BANQUET ENQUIRY FORM FIELDS:

Name, Phone, Event Type, Expected Date, Guests, Branch, Additional Requirements

COMMUNICATION CHANNELS:

- Click-to-Call
- WhatsApp Chat
- Email Enquiry
- Google Maps Directions

NOTE: Bookings are reservation requests — not guaranteed confirmations.

ADMIN DASHBOARD

One Dashboard. Both Locations. Full Control.

DASHBOARD FEATURES:

· Branch Switcher — toggle between Ballia & Varanasi

· Summary Statistics — total bookings, new enquiries, pending

· Enquiry Inbox — view & manage all customer enquiries

· Menu Editor — update dishes, prices, availability

· Gallery Manager — upload & organize photographs

· Offers Manager — publish & schedule promotions

· Content Editor — update branch info & opening hours

· User Role Management — MD, Ballia Mgr, Varanasi Mgr

Role-Based Access Control

MANAGING DIRECTOR — Full Access:

- · Both branches — all features, all data
- · User account management & system settings
- · All bookings, enquiries, menus, gallery, content

BALLIA BRANCH MANAGER — Branch-Limited:

- · Ballia menu, gallery, bookings, offers, content only
- · Cannot access Varanasi data or system settings

VARANASI BRANCH MANAGER — Branch-Limited:

- · Varanasi menu, gallery, bookings, offers, content only
- · Cannot access Ballia data or system settings

BENEFIT: Branch teams handle routine tasks independently — MD retains full oversight.

Why This Investment Makes Commercial Sense

- Premium Digital Brand — elevates perceived brand value & trust
- Dedicated Branch Experiences — local customer journeys
- Improved Customer Discovery — findable via local search
- Organized Enquiries — structured banquet & reservation data
- Centralized Management — one system for both locations
- Superior Mobile Experience — converts more visitors
- Scalable Platform — ready for future branches & features
- Reduced Developer Dependency — team manages content directly

How the Website Will Be Built

TECHNOLOGY STACK:

- Frontend: Next.js — fast, SEO-friendly React framework
- Styling: Tailwind CSS — responsive utility-first styling
- Backend: To Be Confirmed — suitable per requirements
- Content: Custom Admin Dashboard — centralized management
- Hosting: Production Hosting — provider to be finalized
- Security: HTTPS & secure admin authentication

ARCHITECTURE:

Visitor → Main Website → Location Selection

Central Administration Dashboard

Information & Assets Required from Management

BRAND ASSETS: Logo (high-res), brand colors, guidelines

PHOTOGRAPHY: Restaurant interiors, rooftop, banquet, food photos

BUSINESS INFO: Addresses, phone numbers, email, opening hours

GOOGLE LINKS: Maps links, Business Profile links for both branches

MENU CONTENT: Full menus for Ballia & Varanasi (items, descriptions, prices)

BANQUET INFO: Event types, capacity (if confirmed), packages

SOCIAL MEDIA: Instagram, Facebook, other platform links

OPTIONAL: Verified testimonials, current offers, upcoming events

Accurate content and real photography are essential for a credible final website.
